WITNESS AFFIDAVIT IN SUPPORT OF
PLAINTIFF'S CIVIL COMPLAINT
(KANYON SAYERS-ROODS)

AFFIDAVIT

I, KANYON SAYERS-ROODS, a member of the Chualar-Costanoan Tribal Band of Indian Canyon, California, residing in San Jose, in Santa Clara County, California, MAKE OATH AND SAY THAT:

1. I declare that I am presently President, CEO, and Chairwoman of Costanoan Indian Research Inc. ("CIR"), a registered 501(c)(3) non-profit organization with a headquarters at Indian Canyon Ranch, 1 Indian Canyon Road, Hollister, California, primarily owned and held by the Indian Canyon Chualar Tribe of the Costanoan-Ohlone People ("Tribe"). I was elected and appointed this corporate title on or about February 28, 2022, in accordance with a witness affidavit I certified in a former civil action hereto this civil action as "**EXHIBIT V**". And, in accordance with this exhibit enclosed with corporate papers as to CIR, I have been a corporate officer and director at Costanoan Indian Research since in or about March 2021. Moreover, I have served as a CIR board director, and board advisor to former CIR President Ann-Marie Sayers since in or about 2002.
2. I declare that on or about March 21, 2022, my mother Ann-Marie Sayers of the Costanoan Indians of Indian Canyon appointed Charles Heinz, Jr. and myself as Power-of-Attorney (agents) [**EXHIBIT A**]. Thereby, I acknowledge this document to declare as follows: "<page 1 of 9> I, *Ann Marie Sayers, of Indian Canyon Ranch, 1 Indian Canyon Road, Hollister, California, being*

of sound mind, voluntarily create this Durable Power of Attorney for Health Care (see Additional Instructions hereinunder) <page 6 of 9> I decree that my agent shall act on my behalf in any lawful circumstance(s), respective to, but no limited Health Care Power of Attorney <page 7 of 9> to Indian Canyon Ranch under 18 U.S.C. 1151...Real property transactions...Tangible personal property transactions...Business operating transactions... Claims and litigation...Personal and family maintenance." This document was signed and notarized at Indian Canyon Ranch on March 21, 2022. Moreover, Defendant Marlene Machado and myself are listed as witness signators of this executed agreement.

3. I declare that, I have served as a Council member, alongside tribal council members Ann-Marie Sayers (my mother) and Christopher Sayers (my uncle), for the Indian Canyon Chualar Tribe of the Costanoan-Ohlone People ("Chualar-Costanoan Tribe") since in or about 2004.
4. I declare that, as an official for CIR and Tribe my duties consisted of, but were not limited to, business management, government filings as to CIR, public affairs, planning of Tribe awareness events and ceremonial activities, hosting and coordinating educational programs on indigenous studies, and tribal land maintenance.
5. I declare that, from 2001 through the present, I have co-resided among Santa Clara County, San Jose, California, and Indian Canyon Ranch ("Indian Country" in accordance with Title 18, Section 1151, United States Code, located on Indian Canyon Road of Township Fourteen South of Range Five East of the Mount Diablo Meridian, San Benito County, Hollister, California [cf. 27 CFR § 9.110 - *San Benito*]. Hence, since in or about 2016, upon the outset of frequent visits by a woman I know as Marlene Machado, I have not been able to visit the cabin at Indian Canyon Ranch as much as I would have done prior to Machado's arrival.
6. I declare that, as a nonlawyer whose highest level education reached was a bachelor degree of science from Arts Institute of California; I am a member of Indian Canyon Chualar Tribe of the Costanoan-Ohlone People (Chualar-Costanoan), and acknowledge the following Federal statutes of United States Code, of which are relative to authenticating government facts, documents, or communication relative to CIR and Tribe. Additionally, I have researched each statute on Cornell Law School Legal Encyclopedia (<https://www.law.cornell.edu/uscode/>) prior to submitting this affidavit. Therefore, I attest my general understanding of 18 U.S.C. 1151 (Congress's definition of "Indian Country"), 28 U.S.C. 1732-1733 (Congress's definition of government records and papers, or any document under business records exception), 25 U.S.C. 1529-1530 (Congress's definition of "Indian," "tribe," and "Indian tribe").

7. I declare that, to the best of my knowledge, the legal document hereto this affidavit known as **"EXHIBIT O"** is in fact a government document issued by the Bureau of Indian Affairs on June 8, 1992. This document looks like a trust patent number. Additionally, I can attest to seeing an official certification with Government seal and signature by a U.S. government official acknowledging a trust patent that issued by the Government on June 12th, 1911 to Sebastian Garcia ("document number 500-3498").
8. I declare that the second page of 'EXHIBIT O' hereto this affidavit, to the best of my knowledge, is a government document issued by the 'United States General Land Office,' which is now known as the U.S. Department of the Interior. And it looks like then-United States President William Taft signed this document acknowledging Sebastian Garcia as an "Chualar" Indian (as it reads, "Whereas, a schedule of allotments approved by the Secretary of Interior has been deposited in the General Land Office, whereby it appears that Sebastian Garcia, of the Chualar tribe or band of Indians, has been allotted the following-described land: The Lots Two, Three, Five, Six, and Ten of Section 13 in Township Fourteen South of Range Five East of the Mount Diablo Meridian, California, containing one hundred fifty-four and sixty-five hundredths acres...<towards the bottom portion of this page> In testimony whereof I, William H. Taft, President of the United States of America, have have caused these letters to be made patent and the seal of the General Land Office to be fixed...Patent No. 203411."). Therefore, based on this government document I would conclusively presume that anyone that is a blood-relative of Sebastian Garcia is a Chualar Indian. Thus, in accordance to exhibits fled with this affidavit hereunto, and government documents filed in the instant case, I preserve claim that Sebastian Garcia is my mother, Ann-Marie Sayers's great grandfather.
9. I declare that, to the best of my knowledge, the legal document hereto this affidavit known as **"EXHIBIT A"** encloses a government document issued by the Bureau of Indian Affairs on June 8, 1992 under Title 28, Section 1733, United States Code (as it reads, "Pursuant to Title 28, section 1733, United States Code, I hereby certify that each annexed paper is a true copy of a document comprising part of the official records of the Bureau of Indian Affairs, Department of the Interior, in my custody: Trust Patent number 04-88-0047, issued August 19, 1988, to Ann Marie Sayers, recorded under document number 500-6431."). And page two of this government document acknowledges my mother, Ann Marie Sayers, an Indian of the Costanoan Tribe of Mount Diablo Meridian, California (as it reads, "Ann Marie Sayers, an Indian of the Costanoan Tribe, is entitled to a trust patent pursuant to Sec. 4 of the Act of February 8, 1887, as amended (25 U.S.C. 334, for the following described land: Mount Diablo Meridian, California, T. 14 S., R. 5 E., sec. 24, lots, 1, 2, and 3...Containing 123.42 acres...NOW KNOW YE, That the UNITED STATES OF AMERICA...has allotted and by these present does allot, unto the said Indian, the land described, and hereby declares that that it does and will hold the land thus allotted."). That

being said, without a doubt I believe that this government document under seal, issued by the United States Department of Interior is acknowledging an allotment of land to my mother, Ann Marie Sayers of the Costanoan Tribe in California.

10. I declare that, to the best of my knowledge, **"EXHIBIT B"** is a government document issued by the Bureau of Indian Affairs, showing Indian roll numbers ("RN") for Native-American blood-relatives that I know as Christopher Sayers (my uncle) and Ann Marie Sayers (my mother) (as it reads as, "Ann Marie Sayers...Tribe: Costanoan...RN: 506708...Christopher A. Sayers...Tribe: Costanoan...RN: 56710."). Additionally, 'EXHIBIT B' (on the bottom-right section of page) shows "Sebastian Garcia" as "Great Grandfather" of Christopher Sayers and Ann Marie Sayers. That being said, without a doubt, I believe this document to demonstrate (respective of 'EXHIBIT A' and 'EXHIBIT O') that the Chualar and Costanoan tribes are one in the same, as the exhibits Sayers siblings who I know as Christopher and Ann Marie are within the same bloodline as Sebastian Garcia whom former U.S. President Taft declared was a Chualar Indian in 1911.
11. I declare that I have reviewed **"EXHIBIT M" and "EXHIBIT C"** hereto this civil action, whereof, to the best of my knowledge, is a compilation of government-issued documents provide a showing of the bloodline between ancestors and living tribal members of the Chualar-Costanoan Tribe of California. These documents consist of certified birth records, and government-issued documents (with Government-issued Indian roll numbers), that demonstrate the fact that- (my mother and uncle)- living tribal members Ann-Marie and Christopher Sayers, are kin of Sebastian Garcia- Garcia who then-U.S. President William Taft acknowledged as a Chualar Indian in 1911, per 'EXHIBIT O' hereto this civil action. And, I can attest that throughout my entire life Ann-Marie Sayers, and Christopher Sayers have referred to themselves as 'Chualar-Costanoan' Indians, as is the Government's own classification has demonstrated in 'EXHIBIT B', 'EXHIBIT M', and 'EXHIBIT O,' and Indian trust land allotment papers as to Anne-Marie Sayers of the Costanoan Indians enclosed in 'EXHIBIT A.'
12. I declare that, to the best of knowledge, I would attest that **"EXHIBIT Q"**, is a government document, that any layman could find at the United States Senate website (www.senate.gov), showing a certification from a law and lobbying firm called Hogan and Hartson LLP, who was working for a client by the name of Indian Canyon Chualar Tribe of Costanoan-Ohlone People. I know of this client listed on section 7 of this government document. As I understand, presently, Ann Marie Sayers, Christopher Sayers, and myself, are the tribal members that make up the executive council of the Indian Canyon Chualar Tribe of Costanoan-Ohlone People, whereby this legislative disclosure promulgates.

13. I declare that, to the best of my knowledge, I attest that "**EXHIBIT P**" hereto this civil action is a 'Constitution for the Chualar Indians of Indian Canyon' signed and executed in 1974, by a person I have known my entire life as Ann Marie Sayers. Moreover, I understand this document to be a constitution to have a governing influence of its tribal members from historical times to the present. And, as CIR President and Tribe Chair of Council, I presently uphold this Constitution for the Chualar Indians of Indian Canyon ratified by Ann-Marie Sayers in 1974.
14. I declare that, to the best of my knowledge, "**EXHIBIT N**" is a government document sent by the 'United States Department of the Interior, Bureau of Indian Affairs' on December 18, 2007, addressed to Ms. Ann Marie Sayers at P.O. Box 28, Hollister, California. This document appears to be signed by the chief of Division of Tribal Government Services. And, I attest that this is without a doubt a response letter from the Government for a petition for federal acknowledgment of the Indian Canyon Band of Costanoan/Mutsun Indians of California, filed by my mother, Ann-Marie Sayers. Additionally, my understanding of this document is that the Government did not deny or approve Ms. Sayers's petition from Federal acknowledgment due to particular deficiencies; and I would therefore conclusively presume this petition to remain in pending status.

[DECLARATION AS TO WITNESS HARRASMENT & STALKING INCIDENT AT
GILROY REHAB CENTER, MAY. 22, 2022.]

15. I declare my acknowledgement of Witness Affidavit of Charles Heinz's May 22, 2022 [**EXHIBIT J**] containing assertions are made respective to Defendant Machado and "Joe" going to the Gilroy Healthcare & Rehabilitation Center where my uncle, Christopher Sayers and my mother, Anne-Marie Sayers are patients. Moreover, I attest that my mother was checked-in under strict security and privacy terms, only allowing POA agents Mr. Heinz and myself to be allowed to visit with my mother, Ann-Marie Sayers, at any time. Additionally, I attest that as POA agent for my uncle, Christopher Sayers, **I determined Defendant Machado's unannounced and unwelcomed visit to Mr. Sayers and Ms. Sayers a threat of harm to my family and Indian tribal band, being in mind that civil action (on torts claims relative to trespassing, property injury to Indian trust land and tribal properties within Indian Canyon, etc.), criminal action (per police report regarding assault and battery committed by Defendant Machado on tribal staff at Ms. Sayers's home at 1 Indian Canyon Road with Indian country), and administrative action (elderly abuse and neglect reporting), and other violent encounters with Defendant Machado that occurred before April 2022, clearly demonstrated that Defendant Machado was someone who had the substantial likelihood to continue causing my tribal band members, relatives, tribal staff, or myself.**

16. I declare that on May 22, 2022, the Gilroy Police were called upon Defendant Machado's stalking of my mother, Ann-Marie Sayers, and my uncle, Christopher Sayers [see "EXHIBIT I" (Gilroy Police case reference number) and "EXHIBIT J" (Heinz's Affidavit containing specific details about law enforcement involvement)]. In addition, I attest to being copied on emails regarding communication with Bureau of Indian affairs, the California Attorney General Indian Affairs Unit, San Benito County Social Services, and the San Benito County District Attorney, concerning a criminal investigation on Defendant Machado's act of violence at Indian Canyon, April 23, 2022, and an elderly abuse and neglect report as to (the abuse-report victim) my mother, Ann-Marie Sayers and (abuse report-subject) Defendant Machado.

[DECLARATION AS TO VIOLENT INCIDENT AT CIR HEADQUARTERS, APR. 23, 2022.]

17. I declare that on or about April 23, 2022, I asked to meet with CIR-Tribe officials and Tribe voluntary security staff in efforts to safely get Ann-Marie Sayers, a CIR official and Tribe member, to the hospital for a wellness check. Hence, in or about March 2022, Costanoan Tribal Counsel and Chief Advisor Cary Peterson, and CIR's corporate officers Thomas Bishop, Charles Heinz, myself, and Tribe volunteers had a failed attempt getting Ann-Marie Sayers to the hospital due to obstruction and threat of physical harm caused by a woman I know as Marlene Machado; thus my concern was that any escalation of controversy had the substantial likelihood to cause CIR official Ann-Marie Sayers (74) to have a stroke or heart-attack. Moreover, at no time was Machado a CIR or Tribe official, authorized agent, or employee, but has habitually interrupted CIR and Tribe activities that involved Ann-Marie Sayers, and other CIR and Tribe officials.

18. I declare that on April 23, 2022, at around 11:45 a.m., at 1 Indian Canyon Road, a woman that I know as Marlene Machado had verbally and physically assaulted CIR and Tribe voluntary security staff members with her fists, and a ceremonial stone used as a weapon amid CIR and Tribe official(s) taking Ann-Marie Sayers to the hospital for wellness check. Machado's physical assault took place while two CIR and Tribe staff members had formed a body shield in attempt to prevent Machado from attacking CIR President and Tribe Chairwoman Sayers-Roods, and another Tribe-CIR volunteer who I know as "Lee," assisting Sayers-Roods with Ann-Marie Sayers in a wheelchair, and proceeding to my car.

19. I declare that on or about April 23, 2022, Tribe volunteer Nichole Rhodes filed a police report with the San Benito County Sheriff regarding Machado's physical assault on her while she was in Indian Canyon. And, at my behest, CIR-Tribe's Counsel and Chief Advisor Cary Peterson sent an email (that I received a copy of via email) to the Bureau of Indian Affairs, California Attorney General, San Benito County Social Services, San Benito County Sheriff, and CIR's court attorney Robert DeWitty, reporting on the April 23 incident involving Machado's trespass and physical

assault on Tribe staff at CIR headquarters (Indian Canyon) while CIR-Tribe officials were trying to take CIR founder-director Ann-Marie Sayers to a local hospital's emergency room that Sunday afternoon.

[DECLARATION ON OTHER BAD CHARACTER EVIDENCE AS TO MARLENE MACHADO.]

20. I declare that in or about March 2022, I was refused by the U.S. Post Office (100 Maple St, Hollister, CA 95023) the right to (1) collect mail addressed to CIR and CIR official; and (2) the right to update postal mailbox user profile information, despite me being the authorized user of this mailbox (since in or about 2018) [**EXHIBIT E**; **EXHIBIT F** (USPS postal box rental agreement)], due to misleading conduct induced by Marlene Machado. This obstruction of CIR's mail from various government agencies (e.g., Internal Revenue Service, California Secretary of State, California Franchise Tax Board) caused CIR to be sanctioned, fined, and suspended from conducted commerce in the State of California from in or about October 2021 until in or about April 2022, whereupon CIR's general counsel and CPA curing the issues with the government agencies mentioned above in this section.
21. I declare that on or about March 17, 2022, I was had to order rekeying of my USPS postal mailbox [**EXHIBIT H**] in efforts to prevent Defendant Machado from collecting or interfering with incoming mail items sent to listed mailbox recipients, whereby include my tribal band, Costanoan Indian Research Inc., my mother, Ann-Marie Sayers, my uncle, Christopher Sayers, and myself.
22. I declare that at all times since 2018, Ms. Machado has interfered with the rural route mailbox, provided to Indian Canyon Ranch by the United States Postal Service, where CIR receives incoming mail items sent to 1 Indian Canyon Road, Hollister, CA 95023.
23. Local Civil Rule 65.1, which requires that any such application "be accompanied by a certificate of counsel, or other proof satisfactory to the Court," stating that actual notice of the application and copies of all relevant pleadings and papers filed to date or to be presented have been given to the adverse party or describing the efforts made by the applicant to give such notice and copies. D.D.C. LCvR 65.1(a). No such statement, description, or proof accompanies plaintiffs' motion. Additionally, the Court "will not consider an ex parte application for a temporary restraining order" unless the application demonstrates the existence of an emergency. <i>Id.</i> Plaintiffs here have made no such showing as the conditions described in the application have been in existence for more than a year. I, Charles F. Heinz, Jr., Power-of-Attorney of Ann-Marie Sayers. I have known the Sayers family for over 30 years.

My family and I arrived to Indian Canyon on Sunday, April 10, 2022, along with Canyon, Tom, and other friends. Our purpose today was to visit Ann-Marie and take her to lunch, especially my sister because she haven't seen her due to the pandemic. When we arrived, Ann-Marie was asleep. However, she woke up briefly to say hello to us and was happy to see all of our faces. She seemed incoherent, and she slurred her words. Ann-Marie appeared to be so frail, malnourished, and underweight as if she looked like the size of a child. I suspect she has been abused by Marlene, who claimed to be her "right-hand person". Ann-Marie was asleep and didn't hear Marlene stated that. It seemed Marlene is an overwhelmed caregiver, who spoke over Ann-Marie and didn't allow her to converse with us today. She said that she makes all decisions for Ann-Marie for who she would see and where she would go.

Marlene was agitated that we visited Ann-Marie today. She verbally fought with Tom and Ann-Marie's daughter, Canyon. She scolded at all of us for not scheduling the visit in advance and without her permission. We've known Ann-Marie for many decades and never had to make appointments to visit her. In the past, Ann-Marie would always welcomed us and happy to see us at Indian Canyon.

During my brief conversation with Ann-Marie, I updated her about my life. I asked Ann-Marie if her right arm and shoulder were hurting due to her fall. She replied yes but she took something earlier to help with the pain. She continued to lay on her injured right arm and shoulder. She also said she drank Scotch but haven't eaten anything yet. Marlene confirmed to me that she gave something to Ann-Marie earlier in the morning to help her feel at eased but wouldn't say what it was. She also told me that she gave Ann-Marie alcohol and kept Ann-Marie up all night. This was why she was so tired during the morning of our visit. In addition, I asked Ann-Marie if she had seen a doctor. Marlene quickly replied "no" and didn't allow Ann-Marie to reply back to me. While I was finishing my chat with Ann-Marie as she fell back asleep again, a young couple arrived at the cabin to say hello and to thank Ann-Marie for opening up Indian Canyon this weekend. Ann-Marie was asleep. So Marlene told the couple that she was Ann-Marie's right hand person and everything must go through her. The female told Marlene she wanted to give a small donation. Before she took the cash out of her purse, both looked at me. Marlene gave me the stern look to leave the room. So I went outside and told everyone else what was happening in the cabin. The female stayed inside and finished with Marlene. Then I saw the couple leave in their vehicle.

We asked Ann-Marie to go have lunch with us and get some fresh air since it was a beautiful sunny day. Marlene didn't allow us to take Ann-Marie to lunch. Again she was angry that we didn't ask her in advance. She continued to argue with everyone especially Tom. Ann Marie shouted at Marlene to stop arguing. Then Marlene would smoke in front of Ann-Marie. The cabin was smoky, and no windows were open. It seemed Marlene refused to allow us to visit Ann-Marie alone. Tom asked Marlene to leave the cabin so we all can visit Ann-Marie alone today. She shouted out loud that she wasn't going anywhere. It appeared to me that Marlene was socially isolating Ann-Marie based on what she said because she and Ann-Marie are alone together almost all the time. It felt very uncomfortable and tensed at the cabin because Marlene was combative. We all left Indian Canyon since Ann-Marie was sleeping and Marlene was confrontational.

WITNESS AFFIDAVIT IN SUPPORT OF
PLAINTIFF'S VERIFIED CIVIL
COMPLAINT
(CARY PETERSON)

AFFIDAVIT

I, CARY PETERSON, of SAN JOSE, California, MAKE UNSWORN OATH AND SAY THAT:

1. I declare that I am presently Chief of Legal Affairs and Compliance (In-house Counsel) of Costanoan Indian Research Inc. ("CIR"), a registered 501(c)(3) non-profit organization, and Tribal Council of Chualar-Costanoan Indian Nation of Indian Canyon ("Tribe"), with a headquarters at Indian Canyon Ranch, 1 Indian Canyon Road, Hollister, California, primarily owned and held by the Indian Canyon Chualar Tribe of the Costanoan-Ohlone People. I was appointed this corporate/tribal title on or about February 28, 2022. Moreover, I have served as a CIR-Tribe volunteer and board advisor since in or about 2021.
2. I declare that I am a registered lobbyist at United States Congress under 2 U.S.C. 1601-1609 et seq. (LDA) [Senate LID No. 401103650; House LID No. 42916], hold a doctorate degree of law on intergovernmental affairs and international diplomacy (UNAug) per U.S. District Court records from unrelated cases, have studied law at Harvard University, and have worked as a executive manager at a law and lobbying firm known as Robert Peterson & Fields Associates PC since in or about November 2014. And presently I am a student at Harvard University studying law among online, hybrid, or extension courses.
3. I declare that I have researched each statute on Cornell Law School Legal Encyclopedia (<https://www.law.cornell.edu/uscode/>) prior to submitting this affidavit. Therefore, I attest my general understanding of 18 U.S.C. 1151 (Congress's definition of "Indian Country"), 28 U.S.C. 1732-1733 (Congress's definition of government records and papers, or any document under

business records exception), 25 U.S.C. 1529-1530 (Congress's definition of "Indian," "tribe," and "Indian tribe").

4. I declare that I have reviewed and researched government documents issued by the U.S. Department of the Interior and the U.S. President demonstrating official certification via Government seal or signature by a U.S. government official acknowledging a trust patent that issued to Sebastian Garcia of the Chualar Indians and Ann-Marie Sayers of the Costanoan Indians. Additionally, I can attest to conducting due diligence on government documents showing 'Indian roll numbers' (RNs) for Costanoan Indians referred by the government as Christopher Sayers and Ann-Marie Sayers who were classified as great grandchildren to Sebastian Garcia.
5. I declare to have reviewed a document found at the United States Senate website (www.senate.gov), showing a certification from a law and lobbying firm called Hogan and Hartson LLP, who was working for a client by the name of Indian Canyon Chualar Tribe of Costanoan-Ohlone People. As I understand, presently, Ann Marie Sayers, Christopher Sayers, and Kanyon Sayers-Roods, are the tribal members that make up the executive council of the Indian Canyon Chualar Tribe of Costanoan-Ohlone People.
6. I declare that my service to Tribe and CIR requires me to adopt and uphold precedent of the Constitution for the Chualar Indians of Indian Canyon' signed and executed in 1974, by a person I have known as Ann Marie Sayers. Moreover, I understand this document to be a constitution to have a governing influence of its tribal members from historical times to the present. This includes tribal land ordinances prescribed by Tribe. And, as General Counsel and Chief Advisor of Council of Tribe and CIR, reporting to Chair of Council and CIR President, I presently uphold this Constitution for the Chualar Indians of Indian Canyon ratified by Ann-Marie Sayers in 1974, and preserve claim to any immunities or prerogatives held by such a title under 2 U.S.C. 1607, 18 U.S.C. 112, 18 U.S.C. 1161(b) et seq., Public Law 280, and Federal Indian Law of United States Department of the Interior (2008).
7. I declare that on or about April 23, 2022, I asked me to assist CIR-Tribe officials and Tribe security-volunteers to safely get Ann-Marie Sayers, a CIR official and Tribe member, to the hospital for a wellness check. There were several discussion in the eve of this 'rescue mission.' However, after several findings and discovery of personal injury to Ms. Sayers and property injury to Indian Canyon, whereupon an intervention and cease-and-desist notice commanding Marlene Machado to leave Indian Canyon, the decision was made by Tribe council and CIR board of directors to take Ms. Sayers to safety.

Affidavit

Page 3 of 4

8. I declare that on or about April 10, 2022, I received a recording of CIR board meeting, wherewith, a non-tribal and non-corporate observer, who I know as Marlene Machado, told CIR officials, "I ain't going nowhere!", after which CIR and Tribe officials asked her to depart from Indian Canyon due to a compilation of violent outbursts and habitual obstruction of tribal affairs and business operations, that seemingly occurred before I began involvement with Tribe and CIR in 2021; and continue to occur after my involvement with CIR and Tribe through the present.
9. I declare that, on or about April 23, 2022, I received a video clip from CIR President Sayers-Roods which showed Marlene Machado attacking CIR-Tribe volunteers (attempting to form a body shield to restrain Machado), who I know as "Jon" (Bunting) and "Nicki" (Rhodes), with one of Tribe's ceremonial stones. This video shows Machado attempting to prevent CIR officials Sayers-Roods and Heinz from taking Ann-Marie Sayers to Heinz's car, in Sayers's wheelchair. Moreover, I see that Machado's attack with the tribal stone caused Rhodes's arm to bleed.
10. I declare that, on or about April 23, 2022, on behalf of CIR's executive board and Tribe council, I communicated with the Bureau of Indian Affairs, Santa Clara Health Services, United States Marshal Services, Office of California Attorney General, and Office San Benito County District Attorney, regarding the April 23, incident at 1 Indian Canyon Road, an address I know to be within Indian Country under 18 U.S.C. 1151.
11. I declare that, from February 2022 through April 2022, while serving Tribe and CIR in an official capacity, I unveiled findings or discovery of several deficiencies, civil violations, delinquencies, and professional incompetence, relative to Marlene Machado interfering with CIR operations and Tribe activities. Hence, from February through present, on behalf of CIR and Tribe, I invoked hiring corporate attorney counsel, accounting services from a CPA, and attorney consultation(s) from legal experts in criminal, personal injury, and Federal Indian law, in efforts to cure the aforementioned problems that prevented CIR from conducting commerce in general, as the state officials had previously decreed prior to my involvement with CIR.
12. I declare that, from February through April, 2022, I have reviewed and transcribed multiple recordings of CIR board meeting, wherewith Marlene Machado has disrupted conferencing, used profanity, and made violent threats to CIR voluntary staff and officials.
13. I declare that, from January through present, 2022, I enabled CIR officials Kanyon Sayers-Roods and Charles Heinz (POA Agents of Ann-Marie Sayers) to make exigent efforts to get CIR founder-director Ann-Marie Sayers medical coverage reinstated, treatment for substance abuse, a competent power-of-attorney agent under contract, and an overall wellness check at the hospital.

Affidavit

14. On this 12th day of May, 2022, I, Cary Lee Peterson, declare and submit the foregoing as true and correct, under penalty of perjury and in lieu of oath under 28 U.S.C. 1746.

WITNESS AFFIDAVIT IN SUPPORT OF
PLAINTIFF'S VERIFIED CIVIL
COMPLAINT
(DAVID STRONG)

AFFIDAVIT

I, DAVID STRONG, a member of the Chilkat Indian Village (Klukwan) [<https://www.chilkat-nsn.gov>] under 25 U.S.C. 5129-5130), of 32 Chilkat Ave. Klukwan, Alaska, MAKE OATH AND SAY THAT:

[DECLARATION ON PERSONAL PROFILE OF WITNESS (FOR PURPOSE OF CONSIDERATION FOR 'FRYRE' EXPERT TEST).]

1. I declare that I am a tribal member of the the Chilkat Indian Village, located in Klukwan, Alaska. My tribe is federally recognized under Title 25, Sections 5129-5130, United States Code. I have been a tribal member since birth (January 29, 1979). I am also one of seven council members of the Chilkat Indian Village (Klukwan) which represent 265 tribal members. This tribal government is under the Indian Reorganization Act (IRA). This tribal government is a sovereign state held within "Indian Country" as defined under Title 18, Section 1151, United States Code.

[DECLARATION ON WITNESS KNOWLEDGE AS TO PLAINTIFF CIR, & "TRIBE".]

2. I declare that I first visited Indian Canyon (Indian Country as defined under Title 18, Section 1151, United States Code) in or about 2005 while I was visiting California on personal interests.

Affidavit

3. I declare that Indian Canyon, where Costanoan Indian Research Inc. holds a headquarters is indeed Indian Country (an Indian reservation), similarly situated as the tribal nation which I am presently a member. And, I have visited this Indian Country several times since 2005.
4. I declare that I have been a tribal affairs advisor and personal friend of Indian Canyon Chualar tribal band members Kanyon Sayers-Roods, Christopher Sayers, and Ann-Marie Sayers since in or about 2005. During the past 17 years, upon Ms. Sayers's, Mr. Sayers's, or Ms. Sayers-Roods's request for additional support on tribal affairs, I have served as a volunteer for Costanoan Indian Research Inc. ("CIR") and the Indian Canyon Chualar Tribe of Costanoan Ohlone People ("Tribe").
5. I declare to witnessing tribal ceremonies, monuments, storytelling, and other tribal activities while visiting Indian Canyon over the past seventeen years. These tribal activities respective to the Chualar-Costanoan Tribe were administered or hosted by tribal members Ann-Marie Sayers or Kanyon Sayers-Roods. These tribal activities and events were similar to tribal activities done within the tribe that I am member to in the present.

[DECLARATION ON WITNESS UNDERSTANDING OF PERTINENT STATUTES ON TRIBAL AFFAIRS]

6. I declare that, as a nonlawyer who is a member of Chilkat Indian Village (Klukwan), a federally recognized tribe, I am very familiar with the following Federal statutes of United States Code, of which are relative to authenticating government facts, documents, or communication relative to tribal affairs; and as well have researched each statute on Cornell Law School Legal Encyclopedia (<https://www.law.cornell.edu/uscode/>) prior to submitting this affidavit. Therefore, I attest my general understanding of 18 U.S.C. 1151 (Congress's definition of "Indian Country"), 28 U.S.C. 1732-1733 (Congress's definition of government records and papers, or any document under business records exception), 25 U.S.C. 1529-1530 (Congress's definition of "Indian," "tribe," and "Indian tribe").

[DECLARATION ON "EXHIBIT A" (GOVERNMENT DOCUMENT UNDER 28 U.S.C. 1733).]

7. I declare that, to the best of my knowledge, the legal document hereto this affidavit known as "Exhibit A" is in fact a government document issued by the Bureau of Indian Affairs on June 8, 1992. Based on my knowledge of documents sent by the U.S. government to the Chilkat Indian Village (my tribe), this document (letter) looks like a trust patent number issued under "Title 28,

Affidavit

Section 1733, United States Code' (as it reads). And, irrefutably this letter appears to be issued by the United States Department of the Interior, without question. It's an official certification with Government seal and signature by a U.S. government official acknowledging a trust patent that issued by the Government on June 12th, 1911 to Sebastian Garcia ("document number 500-3498").

8. I declare that the second page of 'Exhibit A' hereto this affidavit, to the best of my knowledge, is a government document issued by the 'United States General Land Office,' which is now known as the U.S. Department of the Interior. And it looks like then-United States President William Taft signed this document acknowledging Sebastian Garcia as an "Chualar" Indian (as it reads, "Whereas, a schedule of allotments approved by the Secretary of Interior has been deposited in the General Land Office, whereby it appears that Sebastian Garcia, of the Chualar tribe or band of Indians, has been allotted the following-described land: The Lots Two, Three, Five, Six, and Ten of Section 13 in Township Fourteen South of Range Five East of the Mount Diablo Meridian, California, containing one hundred fifty-four and sixty-five hundredths acres... In testimony whereof I, William H. Taft, President of the United States of America, have caused these letters to be made patent and the seal of the General Land Office to be fixed...Patent No. 203411."). Therefore, based on this government document I would conclusively presume that anyone that is a blood-relative of Sebastian Garcia is a Chualar Indian, as is anyone who is a blood-relative of my ancestors is Chilkat Indian.

[DECLARATION ON "EXHIBIT B" (GOVERNMENT DOCUMENT UNDER 28 U.S.C. 1733).]

9. I declare that, to the best of my knowledge, the legal document hereto this affidavit known as "Exhibit B" is in fact a government document issued by the Bureau of Indian Affairs on June 8, 1992 under Title 28, Section 1733, United States Code (as it reads, "'Pursuant to Title 28, section 1733, United States Code, I hereby certify that each annexed paper is a true copy of a document comprising part of the official records of the Bureau of Indian Affairs, Department of the Interior, in my custody: Trust Patent number 04-88-0047, issued August 19, 1988, to Ann Marie Sayers, recorded under document number 500-6431."). And page two of this government document acknowledges a person that I have known for more than seventeen years as Ann Marie Sayers, an Indian of the Costanoan Tribe of Mount Diablo Meridian, California (as it reads, "Ann Marie Sayers, an Indian of the Costanoan Tribe, is entitled to a trust patent pursuant to Sec. 4 of the Act of February 8, 1887, as amended (25 U.S.C. 334, for the following described land: Mount Diablo Meridian, California, T. 14 S., R. 5 E., sec. 24, lots, 1, 2, and 3...Containing 123.42 acres...NOW KNOW YE, That the UNITED STATES OF AMERICA...has allotted and by these

present does allot, unto the said Indian, the land described, and hereby declares that that it does and will hold the land thus allotted."). That being said, without a doubt I believe that this government document under seal, issued by the United States Department of Interior is acknowledging an allotment of land to a person I know as Ann Marie Sayers of the Costanoan Tribe in California.

[DECLARATION ON "EXHIBIT C" (GOVERNMENT DOCUMENTS UNDER 28 U.S.C. 1732, 1733).]

10. I declare that I have reviewed "Exhibit C" [et seq.] hereto this affidavit, whereof, to the best of my knowledge, is a compilation of government documents (28 U.S. Code § 1733 - Government records and papers; copies) provide a showing of the bloodline between ancestors and living tribal members of the Chualar-Costanoan Tribe of California. These documents consist of certified birth records, and government documents ('Indian roll numbers'), that demonstrate the fact that living tribal members Ann-Marie Sayers, Kanyon Sayers-Roods, and Christopher Sayers, are kin of Sebastian Garcia, who then-U.S. President William Taft acknowledged as a Chualar Indian in 1911, per 'Exhibit A' hereto this affidavit. And, I can attest that throughout the time I have known Kanyon Sayers-Roods, Ann-Marie Sayers, and Christopher Sayers, they have referred to themselves as Chualar-Costanoan Indians, as is the Government's own classification of such persons in nexus with 'Exhibit A' and 'Exhibit B' hereto this affidavit.
11. I declare that, among 'Exhibit A' and 'Exhibit B' of this affidavit, I can attest to seeing two separate government-issued documents under seal that acknowledge the Chualar and Costanoan Indian tribes. And, as is the federally recognized tribal government I am a member, I can confirm that some tribes are known by more than one official name; for example, my tribe is known by the Government as the Chilkat Indian Village (Klukwan) or The Chilkat Indian Village of Tlákw Aan (Klukwan). That fact being in mind, I would say that, based on authenticated consanguinity between Sebastian Garcia (who then-U.S. President Taft acknowledged as a 'Chualar Indian' in 1911) and Ann Marie Sayers (who the U.S. Department of Interior acknowledged as a 'Costanoan Indian' in 1992), in accordance with Exhibits C-1, C-2, C-3, C-4, and C-5 hereto this affidavit, I would conclusively presume that the Chualar Tribe and Costanoan Tribe are one in the same, since these government-issued birth records ["Exhibit C-2", "Exhibit C-3", "Exhibit C-4", "Exhibit C-5"], and a government document (stamped by the Bureau of Indian Affairs with showing genealogy records) demonstrate an a showing that Ann-Marie Sayers is the great granddaughter of Sebastian Garcia.

Affidavit

12. I declare that my tribal government in Alaska under 25 U.S.C. 1529-1530 and Indian Reorganization Act, has 'roll numbers' (also referred to as 'RN') for every member of our tribe, as is what I see on 'Exhibit C-1' respective to persons I have met, and know as Ann Marie Sayers and Christopher Sayers.
13. I declare that my tribal government in Alaska under 25 U.S.C. 1529-1530 and Indian Reorganization Act, has 'roll numbers' (also referred to as 'RN') for every member of our tribe, as is what I see on 'Exhibit C-1' respective to persons I have met, and know as Ann Marie Sayers and Christopher Sayers
14. I declare that, to the best of my knowledge, 'Exhibit C-1' is a government document issued by the Bureau of Indian Affairs, showing Indian roll numbers ("RN") for Native-American persons that I know as Christopher Sayers and Ann Marie Sayers (as it reads as, "Ann Marie Sayers...Tribe: Costanoan...RN: 506708...Christopher A. Sayers...Tribe: Costanoan...RN: 56710."). Additionally, 'Exhibit C-1' (on the bottom-right section of page) shows "Sebastian Garcia" as "Great Grandfather" of Christopher Sayers and Ann Marie Sayers. That being said, without a doubt, I believe this document to demonstrate (respective of Exhibit A and Exhibit B) that the Chualar and Costanoan tribes are one in the same, as the exhibits Sayers siblings who I know as Christopher and Ann Marie are within the same bloodline as Sebastian Garcia whom former U.S. President Taft declared was a Chualar Indian in 1911.

[DECLARATION ON "EXHIBIT D" (GOVERNMENT DOCUMENT UNDER 28 U.S.C. 1732, 1733).]

15. I declare that, to the best of knowledge, I would attest that "Exhibit D" hereto this affidavit, is a government document, that any layman could find at the United States Senate website (www.senate.gov), showing a certification from a law and lobbying firm called Hogan and Hartson LLP, who was working for a client by the name of Indian Canyon Chualar Tribe of Costanoan-Ohlone People. I know of this client listed on section 7 of this government document. As I understand, presently, Ann Marie Sayers, Christopher Sayers, and Kanyon Sayers-Roods, are the tribal members that make up the executive council of the Indian Canyon Chualar Tribe of Costanoan-Ohlone People.

[DECLARATION ON "EXHIBIT E" (GOVERNMENT DOCUMENT UNDER 28 U.S.C. 1732, 1733).]

16. I declare that, to the best of my knowledge, I attest that "Exhibit E" hereto this affidavit is a 'Constitution for the Chualar Indians of Indian Canyon' signed and executed in 1974 by a person

Affidavit

I have met, and know as Ann Marie Sayers. Moreover, I understand this document to be a constitution to have a governing influence of its tribal members from historical times to the present, as is the Constitution of the tribal government where I am presently member, whereby is federally recognized by the U.S. Department of Interior under 25 U.S.C. 1529, 1530. Per past discussion with CIR official Ann-Marie Sayers, this document was submitted to the Government with a petition for federal acknowledgment

[DECLARATION ON "EXHIBIT F" (BUSINESS DOCUMENT UNDER 28 U.S.C. 1732).]

17. I declare that, to the best of my knowledge, "Exhibit F" hereto this affidavit, is a document from the Costanoan Indian Research Inc. website (<https://www.costanoan.org>) [see page footers of 'Exhibit F'], where I see images of persons I have met, and know as CIR's President Canyon Sayers-Roods, and CIR's founder and director (and former President) Ann-Marie Sayers [pp. 1, 7 of 'Exhibit F']. Additionally, I see images of Indian Canyon ("Indian Country") that I have visited several times; including an image of a Chualar-Costanoan tribal pole, which is something similar to the totem poles throughout the tribal nation I am a member of in the present. That being said, I believe this to be a website that can be found in the public domain by any layman, directly related to the Chualar-Costanoan Tribe of Indian Canyon, California (as this document reads, <page 1/8 of 'Exhibit F'> "Welcome to the official website of Costanoan Indian Research, the non-profit organization of the Indian Canyon Chualar Tribe of Costanoan Ohlone People...<page 2/8 of 'Exhibit F'> Costanoan Indian Research, Inc. ("CIR" est. 1985) is a registered 501(c)(3) non-profit organization at Indian Canyon, Hollister, California, owned and held by the Indian Canyon Chualar Tribe of the Costanoan-Ohlone People."

[DECLARATION ON "EXHIBIT G" (GOVERNMENT DOCUMENT UNDER 28 U.S.C. 1733).]

18. I declare that, to the best of my knowledge, "Exhibit G" is a government document sent by the 'United States Department of the Interior, Bureau of Indian Affairs' on December 18, 2007, addressed to Ms. Ann Marie Sayers at P.O. Box 28, Hollister, California. This document appears to be signed by the chief of Division of Tribal Government Services. And, I attest that this is without a doubt a response letter from the Government for a petition for federal acknowledgment of the Indian Canyon Band of Costanoan/Mutsun Indians of California, filed by a person I know as Ann-Marie Sayers. Additionally, my understanding of this document is that the Government did not deny or approve Ms. Sayers's petition from Federal acknowledgment due to particular deficiencies; and I would therefore conclusively presume this petition to remain in pending

Affidavit

status.

[DECLARATION ON "EXHIBIT H-1" & "EXHIBIT H-2" (BUSINESS DOCUMENT UNDER 28 U.S.C. 1732).]

19. I declare that, to the best of my knowledge, "Exhibit H-1" and "Exhibit H-2" are documents from the Costanoan Indian Research website (<https://www.costanoan.org>), demonstrating tribal activities and events on Indian Country held by the Chualar-Costanoan Tribe. These activities and events are similar to activities held on Indian Country of the Chilkat Indian Village (Klukwan) the tribal government under Title 25, Sections 1529-1530, United States Code.
20. I declare that, as a tribal member of a federally recognized tribal government, I have witnessed tribal ceremonies and activities, an active tribal constitution and ordinances, and Indian Country, in conjunction with the supporting exhibits hereto this affidavit, which are similar to activities, ceremonies, the Constitution, ordinances, and Indian Country, held by the tribal government under 25 U.S.C. 1529-1530, where I have held tribal membership for 43 years.

[WITNESS CERTIFICATION.]

REPLY TO: ACTING
ATTN OF: Area Director, Sacramento Area Office
SUBJECT: New Indian Allotment, San Benito County - Ann Marie Sayers, Allottee
TO: Superintendent, Central California Agency
Attention: Realty Officer

9312654

Attached is the original trust patent No. 04-88-0047 which was issued to Ann Marie Sayers by the Bureau of Land Management pursuant to the General Allotment Act of February 8, 1887, as amended (25 U.S.C. 334).

We were previously advised by the BLM staff that the Certificate of Eligibility (No. 472) to receive an allotment had been issued by the Central California Agency, however, we have never been provided with a copy. Upon a check of the California Judgment Roll, we found the following information regarding the subject Allottee:

Ann Marie Sayers
DOB: 10/13/1948
Mother: Elena Sayers, 1933 Census RN 6503
Mother's Blood Degree: 4/4 Mission San Juan Bautista.

The subject property, consisting of three lots totaling 123.42 acres, is located in San Benito County, and a copy of BLM's May 22, 1884 plat is attached.

Please assign an IRMS identification number to the Allottee and make the appropriate addition to your land records and have the patent and plat recorded at the Portland Titles and Records Section. By separate letter, we will be advising the Allottee (P.O. Box 28, Hollister, CA 95023) that the Central California Agency will have administrative jurisdiction over the subject allotment. We have been advised by the BLM that Ms. Sayers also owns an adjacent tract in fee simple.

Also attached hereto are the documents which comprise our entire case file on the subject.

IN REPLY REFER TO:

United States Department of the Interior

BUREAU OF INDIAN AFFAIRS

WASHINGTON, D.C. 20245

Tribal Government Services - AR

Ms. Ann Marie Sayers
P.O. Box 28
Hollister, California 95814

Dear Ms. Sayers:

On July 13, 1989, the documented petition of the Indian Canyon Band of Coastanoan/Mutsun Indians of California for Federal acknowledgment was hand-delivered to the Branch of Acknowledgment and Research by Ms. Joy Sundberg and Ms. Helen Marie Davis. We advised Ms. Sundberg and Ms. Davis that we would make a cursory review of the petition with a view toward determining if the acknowledgment process was appropriate for your group and, if we found it was not, to provide suggestions regarding other possible alternatives. We decided to do this because we knew that your group consisted of only three members, and because it already had trust land and appeared otherwise to be eligible for Federal services as Indians.

The petition describes a single family unit rather than a tribal unit of the type which can be acknowledged under the Acknowledgment regulations. It documents part of the history of the five direct heirs of Indian allottee Sebastian Garcia and the trust land presently held by his descendants. But it does not provide evidence of the existence of an Indian tribe which has maintained a cohesive community and has exerted a governing influence over its members from historic times to the present. The petition does not indicate how or if the Garcia/Sanchez/Sayers family members interacted with other Coastanoan people. Neither does it present evidence that these family members have been identified historically as a separate band or tribe.

On a preliminary basis, therefore, it appears that the Acknowledgment process may not be an appropriate method for your group to gain Federal recognition as a tribe. However, this does not mean that we are asking you to withdraw the petition. You have the option of continuing in the process and waiting for a more comprehensive review of the petition by one of our research teams; the review for obvious deficiencies and significant omissions (or OD review) as established in section 83.9 (a-b) of the Acknowledgment regulations. Such a review might provide you with a much clearer idea of the appropriateness of the Acknowledgment process for your group. Due to our current backlog of casework, however, it might be a year or more before we could complete such a review.

Your group may wish to pursue other options, one of which might be to explore membership eligibility in a tribe which is already recognized or in another group which has petitioned for acknowledgment. You also have the option of seeking recognition through legislation or litigation.

#12

If the primary aim of your acknowledgment effort is to obtain additional Federal services, we would be happy to arrange a meeting with personnel from the Bureau of Indian Affairs' Area Office and/or Central California Agency in Sacramento to outline services and programs for which your group may now be eligible as individual Indians who are already federally recognized.

Please let us know your decisions and whether you wish to continue in the Acknowledgment process. If you have further questions, please contact Michael Lawson, the Acknowledgment staff member who has administrative responsibility for California petitioners. You may write him c/o Bureau of Indian Affairs, Branch of Acknowledgment and Research, Mail Stop 4627-MIB, 18th and C Streets, N.W., Washington, D.C. 20240, or call him at (202) 343-3592.

COMPLAINT
(JULIE HEINZ)

AFFIDAVIT

I, JULIE HEINZ (DOB: 8/4/1945), of SANTA CLARA COUNTY, California, MAKE OATH AND SAY THAT:

1. I declare that I have been a personal friend of Kanyon Sayers-Roods and Ann-Marie Sayers since in or about 1993. During this time period upon Kanyon Sayers-Roods and Ann-Marie Sayers requesting for additional support on tribal affairs relative to Indian Canyon ("Indian Country"), I have served as a volunteer for Costanoan Indian Research Inc. ("CIR") and the Indian Canyon Chualar Tribe of Costanoan Ohlone People ("Tribe").
2. I declare that on or about April 23, 2022, Ms. Sayers-Roods and my son Charles Heinz, whom are both CIR officers, asked me to serve as a senior observer for CIR and Tribe in efforts to safely get from Indian Country Ann-Marie Sayers, a CIR official and Tribe member, to the hospital for a wellness check.
3. I declare that on April 23, 2022, at around 11:45 a.m., at 1 Indian Canyon Road, a woman that I know as Marlene Machado had verbally and physically assaulted CIR and Tribe security-volunteers with her fists and a ceremonial stone used as a weapon amid CIR and Tribe official(s) taking Ann-Marie Sayers to the hospital for wellness check. Machado's physical assault took place while two CIR and Tribe security-volunteers had formed a body shield in attempt to prevent Machado from attacking CIR President and Tribe Chairwoman Sayers-Roods, and another Tribe-CIR volunteer who I know as "Lee," assisting Sayers-Roods with Ann-Marie Sayers in a wheelchair, and proceeding to my son's car.

Affidavit

4. I declare that from 2015 through 2022, I have witnessed Marlene Machado physically and verbally assault CIR volunteers and officials amid tribal affairs and CIR meetings. 5. I declare the foregoing as true and correct to the best of my knowledge, under the penalty of perjury and in lieu of oath under 28 U.S.C. 1746.
